Aerosol Crusher

ALMAX
Professional Painters Tools

Aerosol Can Crusher will pierce, de-gas and crush multiple aerosol cans simultaneously.

- » Pierces aerosol with gases absorbed by filtration
- » Up to 80% compaction
- » Empty aerosol can be recycled as non-hazardous waste
- » Safety operation interlock
- » Enables reduced hazardous waste storage
- » ATEX compliant
- » Includes conversion plates to crush paint cans up to 5 litres
- » Compressed air operated
- » Two models available for 4 or 8 cans per cycle

Technical Information

UAC-20 4 Can Capacity

- **Dimensions:** 1150H x 350W x 300D mm
- **Weight:** 40kg
- **Force:** 1200kg
- **Air input:** 90-100psi / 7 bar
- **Max aerosol height:** 265mm

UAC-25 8 Can Capacity

- **Dimensions:** 1640H x 360W x 360D mm
- **Weight:** 90kg
- **Force:** 2500kg
- **Air input:** 90-100psi / 7 bar
- **Max aerosol height:** 500mm
