

## Automotive refinish and high-class metal and wood finishing Spray Gun.

The all-new Star SMP-106F Gravity Spray Gun is designed to produce premium painting results, fast application speed and high transfer efficiency of 65% at a low air pressure of 29 psi (2 Bar).

Strong forged body and colour anodized throughout the fluid passages for maximum durability with all solvent or water borne paint.

Chrome plated air cap has quick 1¼ turn for rapid on/off and no cross threading.

Top quality non-magnetic stainless steel fluid nozzle and needle.

Perfectly balanced, lightweight body with calibrated adjustment knobs.
